The Accountant's Song

Words by EVERETT W. LORD

Music by M.M.

Allegro giocoso

In Alpha Kappa Psi, boys, the truth we all re-

spect, We seek the final facts, boys, and

sect, We keep the balance true, boys, and

errors we reject; When the Auditor ex-

amines, He will find the books correct.

Brothers All

Words by EVERETT W. LORD
Music by M. M.

Some of us are expert in the modes of merchandising, and

some find their greatest joy in artful advertising;

Some favor finance and some like law, and

some set up systems that work without a flaw. There are

ways in which we differ, but yet we all agree. We

all stand together for one fraternity. We

all wear the sapphire. We all know the tie that

binds us as brothers in Alpha Kappa Psi.
Before We Say Goodbye

Words and Music by
RAY JOHNSTON, Beta Iota

Moderato

Brothers, as we gather and talk about the past,

Oh! What joy those memories do bring,
Not of books or studies

or of other tasks, But of songs we used to sing.

REFRAIN

So, come, let's join and sing a song again, For dear old Alpha Kappa

just a song to bring back memories, Of all those happy days gone by.

So should! Those notes and make that harmony.

Therefore we have to say goodbye; For they'll recall those
days of Auld Lang Syne, In dear old Alpha Kappa Psi, So Psi.

Songs Without Music

All Up for A.K.Psi
By Everett W. Lord
Tune: "Battle Hymn of the Republic" B flat

Our ship is sailing proudly over the
The ocean blue,
Our star is filled with honest gold,
A tribute fairly due,
Our scale is justly balanced, and they
Measure actions true;
All up for A.K.Psi

CHORUS
Alpha Kappa Psi forever!
Alpha Kappa Psi forever!
Alpha Kappa Psi forever!
All up for A.K.Psi!

Pals!
By Ted Cramer, Delta
Tune: The Rangers' Song - Rio Rita

We're all pale together,
Comrades, birds of a feather;
Hear the call
Every son
One for all
All for one
In any weather.
Pals! Say there, brother, Paul for each other.
Fraternally we will always be
Throughout eternity,
Here's A.K.Psi.

Our Anthem
By James, With complete, and Yardum, Delta
Tune: "Auld Lang Syne"

(1)
Should old acquaintance be forgot,
And Alpha Kappa Psi?
Shall we pass slowly out of view
Without regret or sigh?

CHORUS
For Alpha Kappa Psi, my boy,
For Alpha, Kappa Psi,
We'll bless the days that we have spent
In Alpha Kappa Psi.

(2)
We'll work with might and main to win
Our need of daily praise;
But never shall we in after years,
Forget fraternal days.

A. K. Psi

Pledge Song
By James, With complete, and Yardum, Delta
Tune: "Smile the While"

Cheer a while for Alpha Kappa Psi,
Brothers true, in one fraternal tie.
With the pledge to do or die,
Long established by our founders.
Let their spirit be our only guide,
So may we, like them, in truth confide,
May our hearts overflow with pride.
For Alpha Kappa Psi.

Welcome Song
By James, With complete, and Yardum, Delta
Tune: "Good Night! Ladies"

Welcome, brothers! Welcome, brothers!
Welcome, brothers, in Alpha Kappa Psi!
Merrily we sing this song, sing this song.
Merrily we sing this song,
For Alpha Kappa Psi.

Galley's of Alpha Kappa Psi
By William T. Hunter, Alpha Chi
Tune: "Anchors Aweigh"

Alpha Kappa Psi, my boys, Alpha Kappa Psi,
Here's to thy galley's bold.
Thy commerce spirit free and free.
On the rolling main, over the stormy sea,
We'll sail on our noble ship.
And ever loyal, ever loyal we.
Hoist away, thou, brothers.
Every brother stands by all the way.
And, so we're sailing far today, away.
We'll keep our honor clear.
In Unity, my boys, and Integrity.
And hear her glory high, high, high.
Sing out our noble pledge,
Ever to be right.
Hoist up thy battle rope.
For Alpha Kappa Psi, Alpha Kappa Psi.

Pep Song
By James, With complete, and Yardum, Delta
Tune: "A Capital Ship"

Together we'll sing with a merry ring
In the praise of A.K.Psi.
Now wherever we come we'll have our fun
And keep our standards high.
We hold our accounts in the right amount
And keep our balance true.
We do our work with never a shirk
For we're a jolly good crew.
A balance sheet we're ready to meet
And an auditing problem, too.
We know by sight when a ledger's right.
And ink that is red from this.
The ledger we write are out of sight.
And the errors we make are few and few.
In our income tax we never are lax.
And we stick together like glue.
We know at a glance the work done
And the law we can define;
In commerce, too, we always know
The worth of a dollar sign.
Our fraternity life is free from strife
So no matter what we do or say.
In the worst of weather we pull together.
A revolving, revolving crew.
Choose
Now raise your voices high.
For dear old A.K.Psi.
We do our best to stand the test.
In everything we try and try.
We're out for a C.P.A.
We'll make our elks pay.
We're off to the mart with a business card.
A down payment away.
